CHIPPA WILSON'S EXPERT TIPS

ROAD TRIP

FOR EPIC ADVENTURES

LIKE A PRO

Christopher, aka Chippa, Wilson is a daring Australian free surfer who sent shockwaves through the surf community with his breathtaking surf film edits, pushing the boundaries of the sport to new and unexplored realms. Originally from the sun-kissed shores of Cabarita Beach, Australia, Chippa's spirit thrives on the thrill of surfing, adventure, and the freedom of life on the move.

Always keen for a road trip, Chippa shares his top tips and tricks for planning and embarking on the ultimate journey.

HOW TO GET STARTED WITH ROAD TRIPPING

There's something undeniably thrilling about the open road, the wind in your hair, and the freedom to explore. A road trip promises a sense of adventure like no other, where every turn can lead to breathtaking landscapes, hidden gems, and unforgettable memories. And the best part? Everything is up to you. You decide where to go, where to stop along the way, how long you'll be on the road, and most importantly, which road trip snacks you'll bring along.

But before you rev up the engine and set off on your journey, careful planning and efficient gear management are key to ensuring a smooth and enjoyable experience. So, fasten your seatbelt, gather your wanderlust, and let's embark on an unforgettable journey together, where the thrill of the open road awaits.

MANAGING YOUR GEAR

When heading out on the road, it's important to keep your gear organized, so you don't face the headache of trying to find something amidst a pile of unorganized belongings. Start by creating a detailed checklist of all the essentials you'll need, such as clothing, toiletries, camping equipment and entertainment options.

Pack strategically and utilize storage solutions to keep things organized. Chippa recommends categorizing storage boxes and keeping them clean and tidy; the **Dometic GO Hard Storage 50L** is perfect for this.

With a well-organized gear setup, you'll be ready to embark on your road trip with peace of mind.

ong days on the road to lengthy journeys off the grid.

LIVING THE MOBILE LIFESTYLE

Mobile living unveils a boundless realm of discovery, where every turn of the wheel brings new discoveries and unforgettable memories. For Chippa, the open road embodies freedom—a life unburdened by obligations or constraints. Each morning, the freedom to decide on the next destination unfolds without stress or pressure. Another upside of being on the road is connecting with friends and strangers alike. The beauty lies in the unknown, not knowing who you'll encounter and the profound impact they may have on your journey. The possibilities are vast, the experiences are extraordinary, and the bonds formed along the way are nothing short of magical.

CHIPPA'S TOP 3 DOMETIC PRODUCTS

As a frequent camper and lover of mobile living, Chippa shared his top 3 Dometic products with us:

1. "The Pico double swag is a must for on-the-go camping. The setup time and comfort are next level."
2. "The CFX3 cooler is crucial for on-the-go living. I don't think you'll find a better dual-zone fridge on the market."
3. "The Dometic Hard Storage Boxes are also a winner in my eyes, they keep everything neat and tidy."

THE ULTIMATE POWERED COOLERS

EXPERIENCE THE CFX5 SERIES

Advanced insulation technologies, rugged builds – welcome to the crème de la crème of electric coolers. Vacuum Insulated Panel technology provides serious energy efficiency. Available with dual-zone cooling for flexible refrigeration and cooling, ready for overlanding, off-gridding, van life, and big weekends out.

MAXIMUM EFFICIENCY

Using our most advanced cooling technology, the Dometic CFX5 Series offers powerful cooling while using less power than a 60 W lightbulb. Connect to the 12V/24V DC outlet in your vehicle to roam free without worry. And relax knowing your cooler will never leave you stranded – the CFX5 actively monitors battery power and turns itself off when low voltage is detected.

SHELTER
AUTO AWNING
ROOFTENTS
INFLATABLE TENTS

We love the outdoors. As pioneers in the mobile living arena, we are committed to driving sustainability in our industry. Because we want nature to be a resource for everyone to enjoy and explore. Forever.

The new Weathershield Redux material used on our Redux tents and shelters is an important step towards our collective goals. Plastic waste is a major environmental issue but we can play our part by turning a problem into a solution. The material name, Redux, meaning 'brought back', hints at the responsible construction of our new awnings, tents and furniture. Weathershield Redux is made from 100% recycled plastic bottles and is Global Recycled Standard certified. This new material is only one of the many ways Dometic is ensuring future sustainability across the whole company, to balance our environmental, economic and social impact.

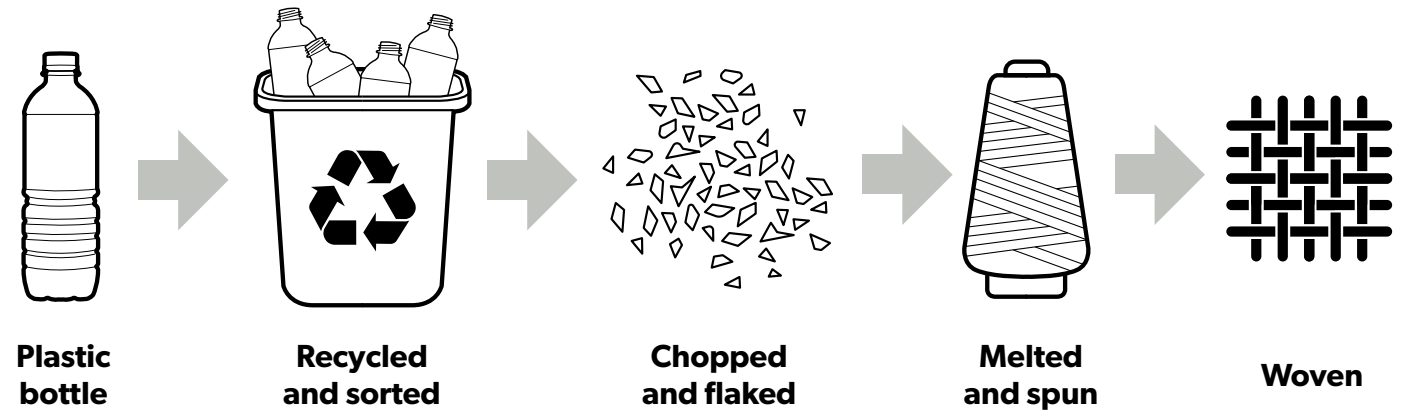

We're now on the move to a better tomorrow, but we're not there yet.

GRS License Number: S03612-G4

THE PROCESS

IT'S THE

DOMETIC AMBASSADOR

ROCK'N'ROAD LIFE

STEFANO GHISOLFI

FOR STEFANO

Living in the shadow of Arco's limestone cliffs, Stefano is a world-class climber with a thirst for adventure. Exploring Europe from his trusty Fiat Ducato, he relies on the Hub 2 activity shelter to help him build the perfect base camp.

WHAT'S YOUR BACKGROUND?

I'm a professional climber from Italy.

WHAT DO YOU ENJOY DOING?

Climbing, taking pictures and videos, and travelling in my van.

WHAT DO YOU DO?

I compete on the World Cup circuit, challenging myself to climb some of the hardest routes across the globe.

WHAT DOES IT MEAN TO YOU TO BE A DOMETIC AMBASSADOR?

Van life is an essential part of my identity, enabling me to live the way I want to. Being supported by Dometic, a brand that shares my values, makes me immensely proud.

WHAT KIND OF VEHICLE DO YOU HAVE?

A Fiat Ducato 540 van. It offers the perfect combination of comfort and mobility.

WHAT DOMETIC GEAR DO YOU USE, AND HOW HAS IT HELPED YOU?

I've got a Hub 2. It provides instant shelter and shade when we stop to camp and is easy to put up. It's made of recycled plastic bottles. I've also got a portable fridge that I use when we travel by car rather than camper van, and an air conditioning unit for when the temperatures soar.

IF YOU COULD ONLY PACK THREE ESSENTIALS TO TAKE ON A TRIP, WHAT WOULD THEY BE?

Probably climbing shoes, my camera, and the van.

WHAT'S YOUR FAVORITE MEMORY FROM YOUR ADVENTURES?

Climbing Perfecto Mundo in Spain and Change in Flatanger, which are two of Europe's hardest routes.

WHAT'S THE BEST THING ABOUT WHAT YOU DO?

I get to do what I love every day. I live for climbing and climb for a living. It's the perfect combination.

WHAT'S YOUR DREAM TRIP?

Taking a road trip around America with my girlfriend.

WHAT'S YOUR GREATEST GOAL IN LIFE?

To climb the hardest route in the world.

DO YOU HAVE ANY ADVICE FOR SOMEONE LOOKING TO EMBARK ON A SIMILAR LIFESTYLE?

Don't wait. Start following your dream now.

ABOUT STEFANO

Stefano is an Italian native. Originally hailing from Turin, he now lives in Arco, a town famed for its sheer limestone cliffs and ancient hilltop castle.

His dreams of a nomadic existence began when Stefano was a child, inspired by the active lifestyle and caravanning holidays he enjoyed with his parents.

As he grew up, Stefano developed a passion for rock climbing – which soon turned into a career. Today, he travels Europe in his trusty Fiat Ducato, taking on some of the hardest routes in the world.

Follow Stefano's journey at stefanoghisolfi.it

FREE-STANDING SHELTER

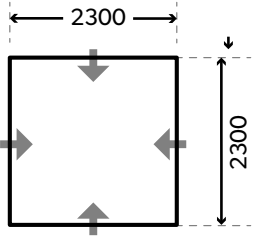

DOMETIC HUB 2

Featuring innovative design and function, the Dometic HUB 2 ensures fast shelter whenever you need it. Our all-new Weathershield™ Redux polyester, woven with recycled plastic bottle yarn, is high-performance and extremely reliable. The HUB 2 utilizes smart weight saving features and patented AIR Frame technology, forming a compact pack size that's perfect for carrying on your back or throwing in the trunk of your car, ready for your next adventure.

Dometic HUB 2

- Well-protected and durable Single Point Inflation Air Frame technology
- Environmentally responsible polyester ensures reliable protection from the elements
- Use as a standalone shelter or attach accessories to enhance your adventure

Continental Carpet – 9120002060

Single point inflation

Single Point Inflation awnings inflate from just one external inflation point.

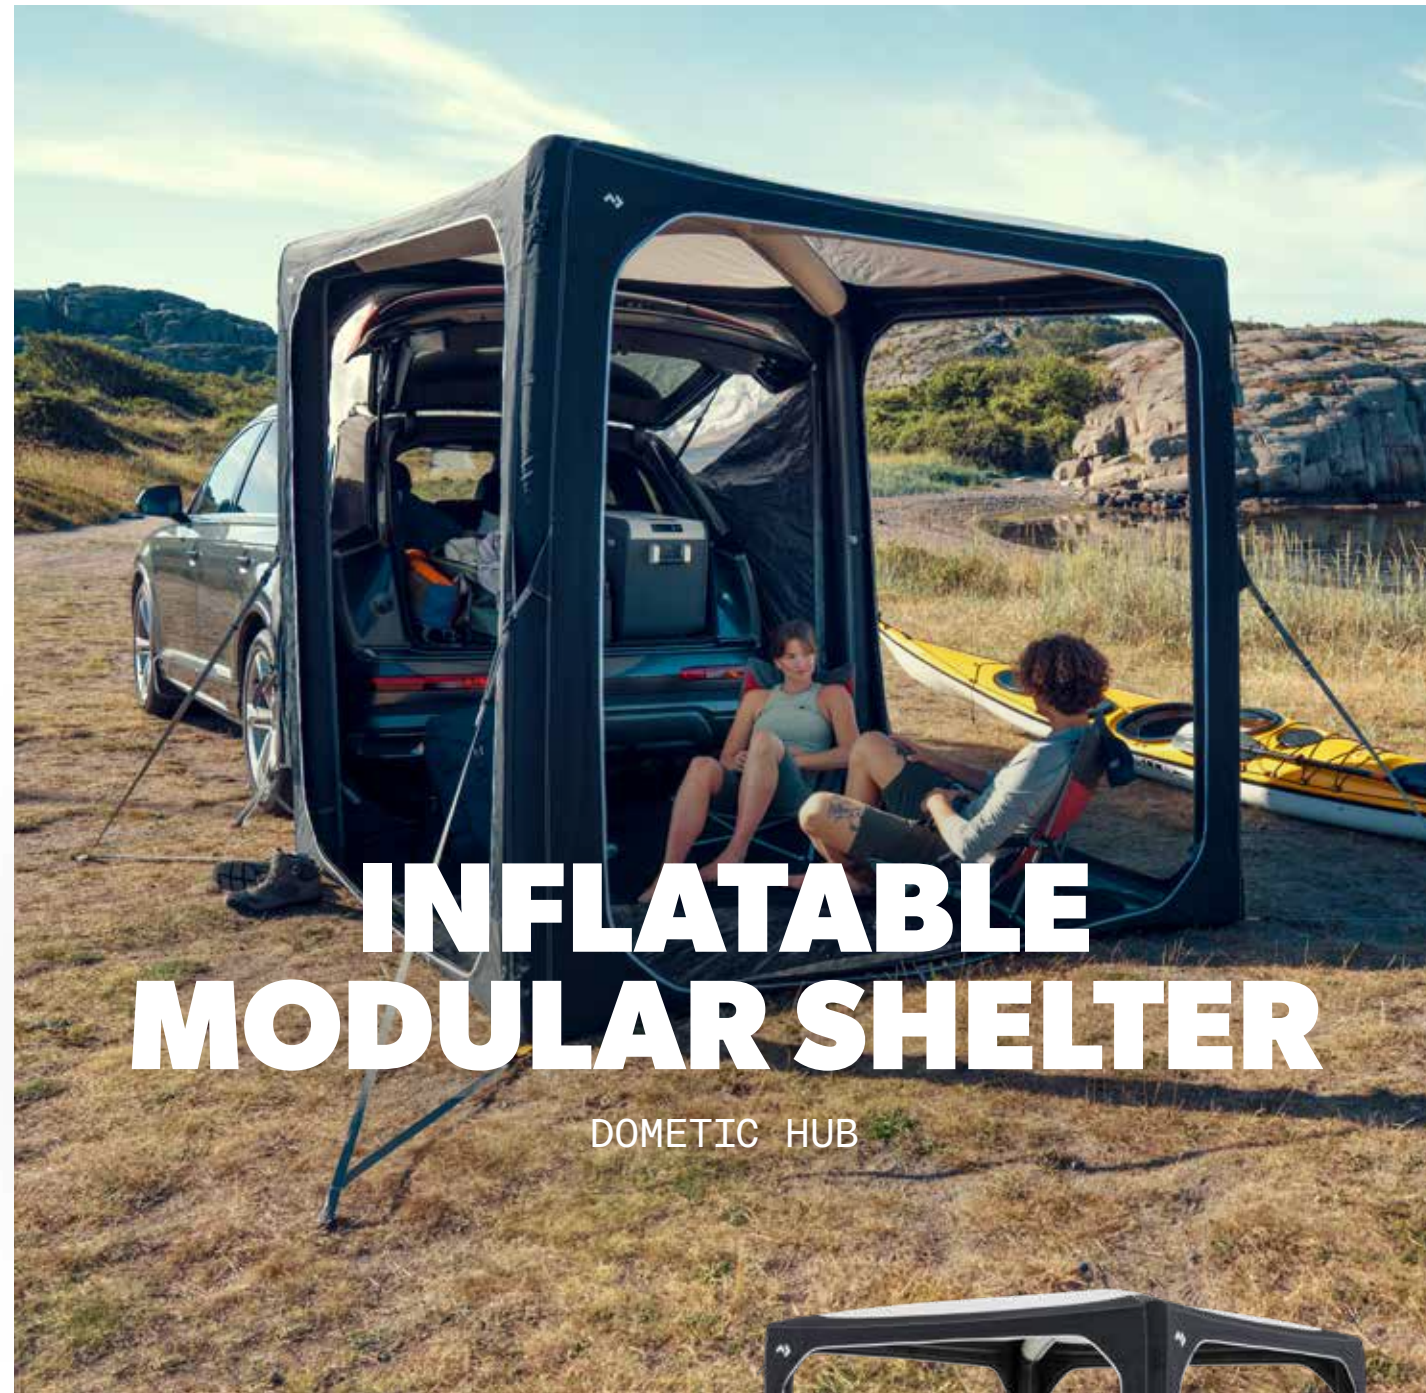

Removable groundsheet

Made from recycled plastic bottles, the HUB 2 toggle-in groundsheet provides comfort and protection from wet or rugged terrain.

Weathershield™ Redux

Waterproof, lightweight, and environmentally responsible. This material is woven from recycled plastic bottle yarn.

INFLATABLE MODULAR SHELTER

DOMETIC HUB

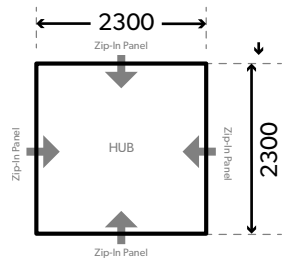

With the HUB, versatility is built in. Whether it's weekends away in the SUV, family vacations in the campervan or quick and convenient shelter from sun in the garden or park, the Dometic HUB has you covered.

Adapt the HUB to suit your needs, start with the base shelter and add an annexe, mesh panels, wall panels and connection tunnels to suit SUVs and campervans. Single point inflation Air Frame technology and QuickPitch straps ensure you are pitched and ready to enjoy the outdoors in no time.

Dometic HUB

- Well-protected and durable Single Point Inflation Air Frame technology
- Waterproof Weathershield™ Pro material for longevity and weather resistance
- Use as a standalone shelter or attach to your estate car, campervan or SUV

Auto AIR Inner Tent – 9120002033
Auto AIR Footprint – 9120002034

Mesh panels

Zipped mesh panels site behind the doors and windows, adding comfort in hot weather.

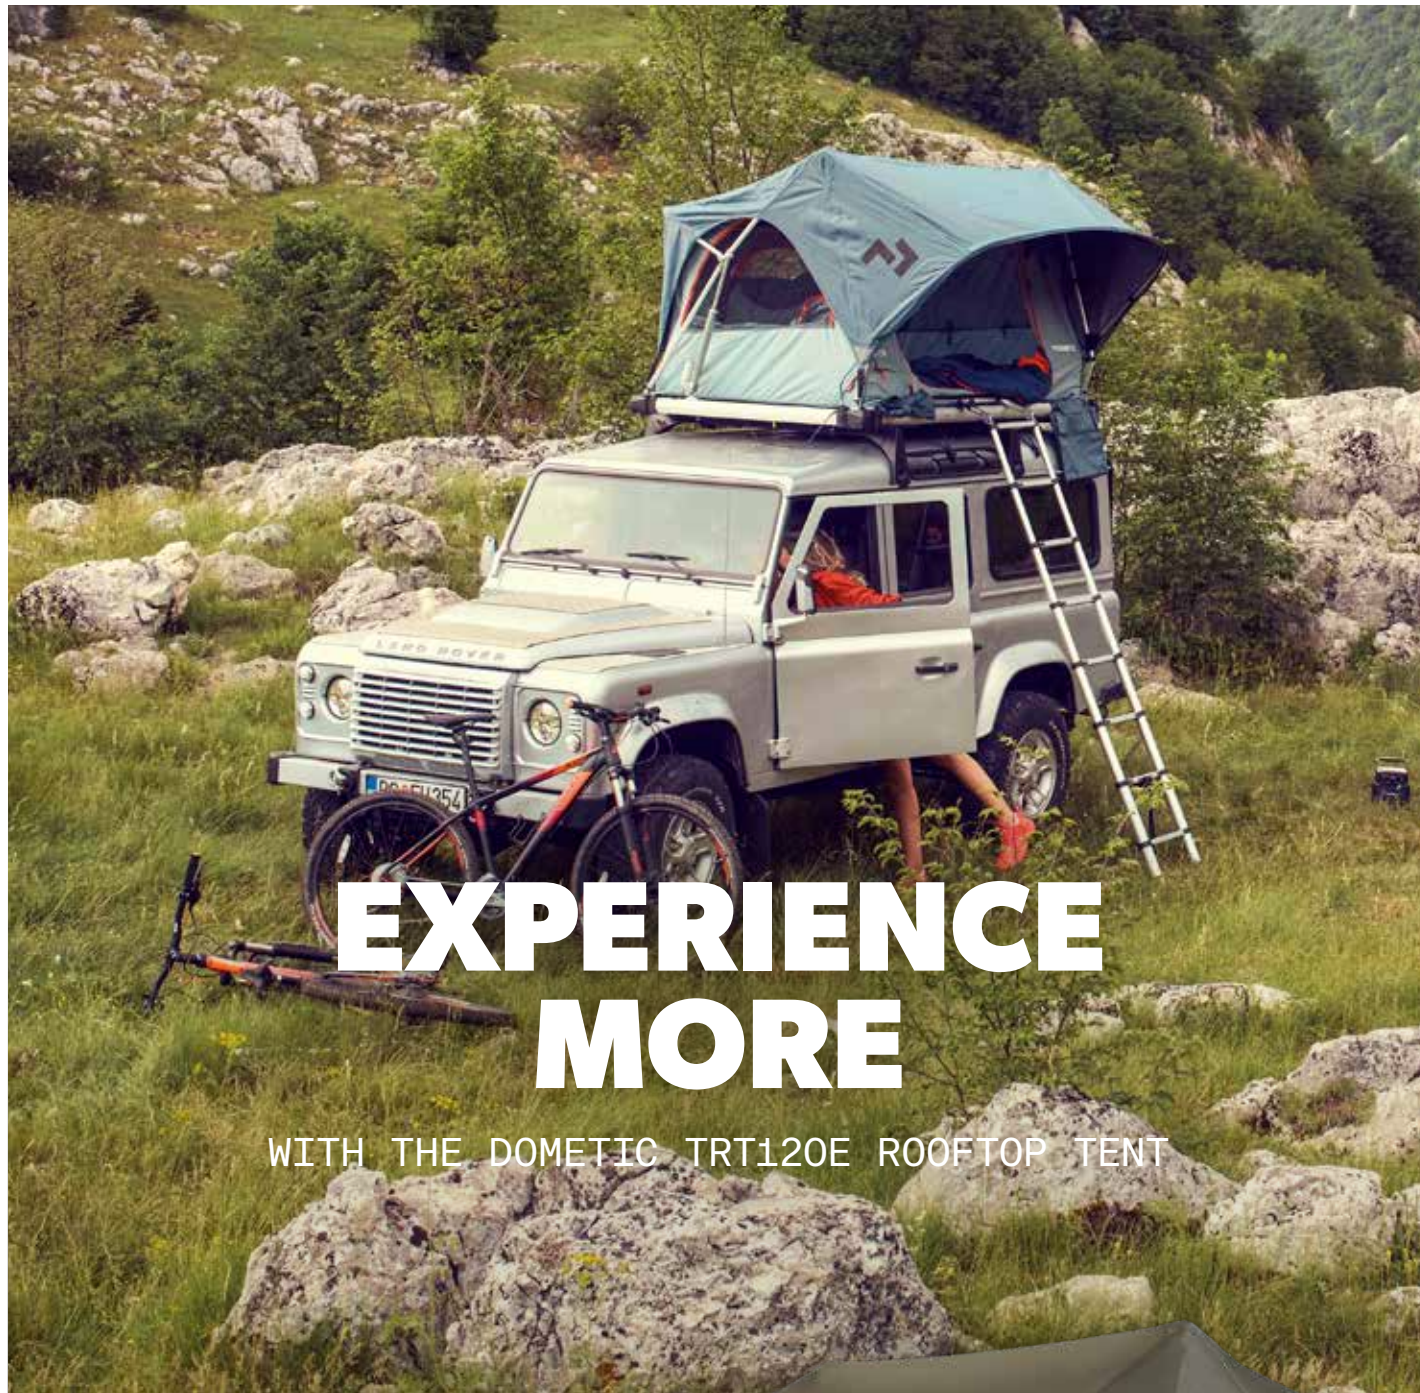

Integrated Canopy

A large sun canopy adds shaded space for dining and relaxing. Canopy poles included.

Zip-in bathtub groundsheet

The zip-in waterproof groundsheet can be pegged down for step free access or toggled up to prevent insects accessing the awning.

EXPERIENCE MORE

WITH THE DOMETIC TRT120E ROOFTOP TENT

Built for the outdoors, the TRT120E features a two layer construction, suitable for even the most remote destinations in the middle of winter. The TRT120E's robust design is further enhanced by a durable water resistant PVC tent cover with a UPF 50+ protection rating, and can handle just about anything that is thrown at it. Thanks to the double layered windows with integrated fly screens, you can get plenty of airflow through the tent while keeping insects out. Despite the robust construction of the TRT120E, its frame is made from lightweight aluminium alloy.

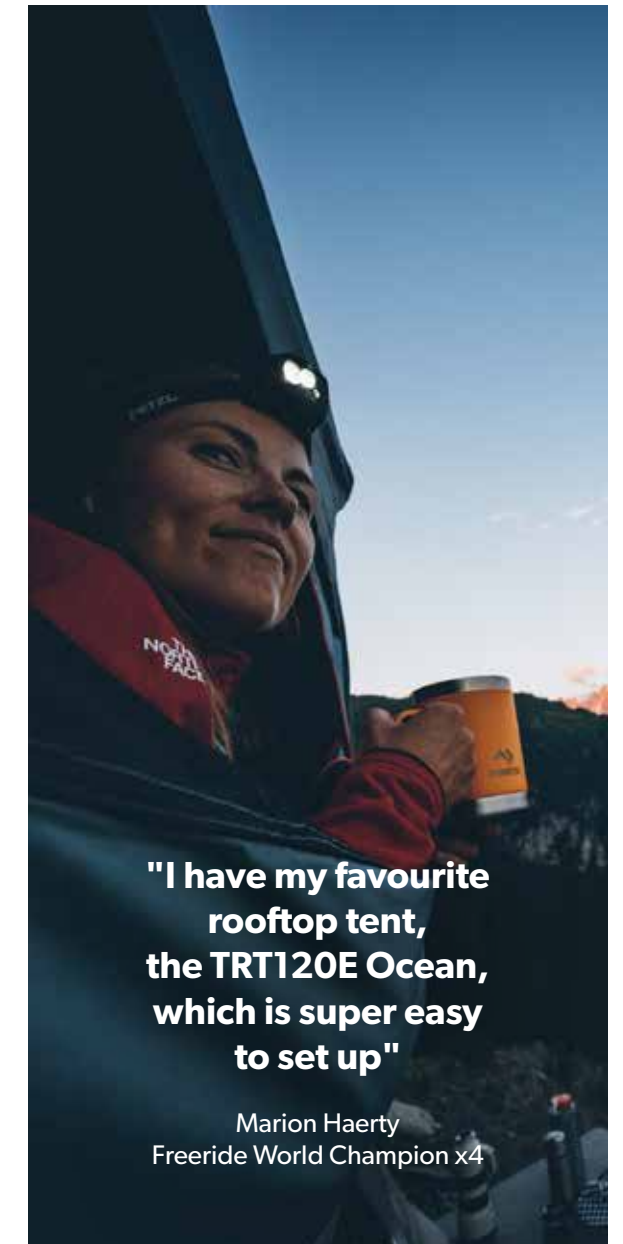

Dometic TRT120E Rooftop Tent

- 5 cm high-density foam mattress big enough to sleep two
- Can be set up in less than one minute with the included remote control
- Integrated fly screen to allow airflow through the tent and keep insects out
- Lightweight telescopic aluminum ladder
- Heavy-duty PVC tent cover
- Water-resistant and UPF 50+ two-layer fabric
- Tent frame is made from lightweight aluminium alloy
- Can be mounted on most cars with installed racks, and can be taken on and off as you like

Ref. ● Ocean – 9120002023
● Forest – 9120002082

Remote control included

"I have my favourite rooftop tent, the TRT120E Ocean, which is super easy to set up"

Marion Haerty
Freeride World Champion x4

Keep insects out

Four double-layered windows ensure effective ventilation.

Insulated

Two layer fabric construction for excellent thermal insulation.

Comfortable

5 cm thick high density foam mattress, big enough to comfortably sleep two people.

CAR CAMPING FREEDOM

DOMETIC TRT 140 AIR

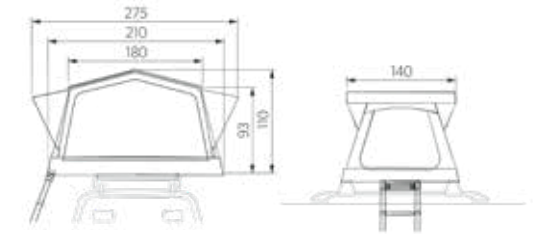

With our high-performance 12 V pump included, the Dometic TRT 140 AIR is fully inflated and ready to support your outdoor adventure in minutes. This versatile rooftop tent utilizes our ultra-sturdy, single point inflation AIR Frame and an integrated foam mattress to provide fast, effective shelter for up to two people. The Dometic TRT 140 AIR features breathable technical cotton material and mesh windows throughout, reducing condensation and providing comfort in cold and warmer climates.

Dometic TRT 140 AIR

- Single Point inflation Air Frame
- Weathershield™ TC material
- Tri-fold design for a smaller pack size
- Mesh windows keep insects out
- Access the tent with the included ladder
- Integrated mattress provides great comfort
- Can be mounted on most cars with installed racks, and can be taken on and off as you like

Ref. 9120002118

Single Point inflation

Single point inflation rooftop tents inflate from just one external inflation point.

Small pack size

The tri-fold base reduces the roof tent footprint, ideal for smaller passenger cars.

Keep insects out

Keep insects out without reducing airflow or compromising internal comfort

Optional Dometic RT Awning

Adding privacy and shelter to your car camping setup, the Dometic RT Awning can be set up as either an all round sun shade or a privacy room in a matter of minutes.

Small – 9120002119
Large – 9120002120

UNLOCK THE OUTDOORS

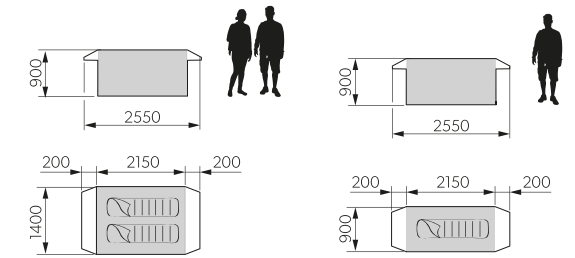

DOMETIC PICO FTC

Jump out the car and set up camp with the Dometic Pico FTC. Featuring an integrated inflatable mattress and durable inflatable frame, the Dometic Pico is the ideal all-in-one tent for couples and solo campers. The convenient carry bag includes backpack straps for easy transport on foot over short and longer distance. The advanced technical cotton material provides protection from the elements and ensures you remain comfortable and dry throughout your camping trip.

Dometic Pico FTC

- Swag type tent ideal for short stay camping
- Integrated inflatable mattress with separate external valve offers built-in comfort
- Backpack style carry bag for easy portability
- Fully sealed doors and windows to keep insects out
- Quick and easy set-up with minimal pegging points

Pico FTC 2X2 TC

Pico FTC 1X1 TC

Pico FTC 2X2 TC – 9120002113
Pico FTC 2X2 Footprint – 9120002131

Pico FTC 1X1 TC – 9120002116
Pico FTC 1X1 Footprint – 9120002132

Air Frame Technology

Single Point Inflation tents inflate from just one external inflation point.

Backpack style carry bag

Weighing from only 8.45 kg, move freely with the tent on your back as you look for a suitable place to make camp.

Integrated inflatable mattress

The integrated inflatable bed offers great comfort and reduces the amount of kit to carry.
